Reason: The Debtors have conducted a review of the filed proof of claim and any related accompanying materials and their books and records. The claimant asserts post-petition deposits which are not part of the claimant's petition date customer entitlement claim. Post-petition deposits should be claimed as a separate administrative claim in accordance with procedures established by the Court by way of the Debtors' Plan of Reorganization. Accordingly, the Debtors seek to modify the asserted claim to match their books and records.
